FAIR PLAY

DISCOVER FOOTBALL FESTIVAL

July 28 - August 5, 2019

Berlin, Germany

Dear Futbolistas and Enthusiasts of Women's Football and Women's Rights,

Dear Teams, Players, Coaches, Referees and Activists,

We are thrilled to announce **the 8th International Women's Football and Cultural Festival!**

From July 28 to August 5, 2019 in Berlin, Germany - it is more than just a sports event. Comprising a friendly tournament as well as topic-related workshops and skill-building trainings, the event focuses on football as a tool to confront gender inequality and to call for a **"fair play"** among diverse genders. We use football to strengthen mutual solidarity and women's rights and fight for a more inclusive women's football. Therefore, we invite women active in female football and/or women's rights from especially underprivileged countries.

The main goals of the event are to share our experiences and bring women* together from different backgrounds, to learn from each other and build a strong network. To foster the exchange and stress the idea of overcoming national, cultural, religious and language barriers, **mixed teams put together from the pool of participants will play the tournament.** The spirit of fair play and networking stands above the competition in this event.

DISCOVER FOOTBALL is inviting **football teams** (grassroot/amateur teams as well) to apply now. A team should consist of **11 female-identified players** and one coach, who is also preferably a woman*.

Main costs for the event during the festival will be covered.**

*All female-identified persons are welcome including transgenders and intersexuals.

** Travel and visa costs, accommodation, meals and main transportation during the event will be provided by DISCOVER FOOTBALL. Travel costs for visa application and all other costs can only be covered in exceptional cases and must be agreed upon beforehand.

About Us

DISCOVER FOOTBALL was started by committed football enthusiasts who use sport as a tool to empower women and promote intercultural understanding. We are mostly women who organize international conferences, tournaments and exhibitions where women and girls develop skills and share knowledge that will help them enhance their autonomy, mobility and power. We also collect and share information on women's football and rights and are building a global network of football activists. **This non-profit organization relies largely on the work of volunteers**, which makes it unique in the world of football. DISCOVER FOOTBALL has received strong encouragement from German Chancellor Angela Merkel and the UN special advisor on Sport for Development and Peace, Mr. Willi Lemke.

In the project DISCOVER FOOTBALL, we are committed to promoting gender equality, emancipation and women's rights and fighting discrimination. Football is our shared passion that enables women from different backgrounds with diverse life experiences to meet on a level playing field.
